Group Projects at FamilyTreeDNA offer many benefits, providing ways for customers to work together with others of similar interests.

By agreeing to participate in a Group Project, you understand that:

- Your participation in Group Projects is completely voluntary and is not required to use any of our products or services.
- No additional work is required to participate.
- You may withdraw your participation at any time, but FamilyTreeDNA is not responsible for any information you have shared directly with Group Project Members or Administrators.

Please read the [Group Project Participation Informed Consent](#) document prior to choosing to participate in a Group Project.

Click Join and Update Project Preferences to join the project. You will be directed to your Project Preferences page to set up your preferences for this project.

I agree to FamilyTreeDNA's [Group Project Participation Informed Consent](#) to participate in a Group Project.
